**W**ith Fall upon us we can see the many signs of the changing of the seasons. The temperatures are getting cooler. The leaves are turning colors and beginning to fall. The grass is not growing as fast. Plants are beginning to die off. As I look around and I see all of these signs I am reminded of the many seasons that God brings to our lives. Ecclesiastes 3:1 tells us “To everything there is a season, a time for every purpose under heaven.” God allows the many different seasons we face in life for a reason. He can use them to accomplish His purpose for our lives. He may allow a season to come to grow us closer to Him. He may allow another season to show us how much we need Him. Whatever season you are facing in life right now, I pray you seek God’s purpose for it. Let God use the coming of Fall to remind you that He does care for us and wants to see us live out His purpose for our lives.

For His glory,  
*Pastor Dave*

***Baptist Men News:***

*This is a wonderful time of the year when we can see God's greatness at work. The weather knows when to start getting a little cooler and the trees know when to start changing to their beautiful fall colors. It make you wonder how someone can see all this and not believe there is not a God. Just like the seasons, we are called to help spread this message and this is the mission of the Baptist men. I pray you will come and be apart of these men as we praise God, lift up our church, lift up each other, seek the lost and help those in need.*

*We will be going to the Guess Road prison this month ( Oct. 27 ) and I hope that you will come take part in this opportunity to serve others. There will be a sign-up sheet in the foyer.*

*Thanks and God bless,  
Wally*

### Barptist Women:

We started our new year out with electing officers: Judy Stancil, Director; Karen Hall, Asst. Director; Melody Myers, Secretary; and Linda Weaver, Treasurer. The ladies then agreed that our first mission project was going to be right here in our own church - showing God's love and compassion by providing interim meals to Dayton and Lois Gates.

As you know, Lois has alzheimer's disease and Dayton is her full time caregiver. Lois and Dayton have been faithful members of RMBC for many years, and Lois taught Sunday School and served as Baptist Women's Director for several years. There will be a sign up sheet in the vestibule if you wish to participate.

Ladies, come join us for our next meeting October 13th and bring any ideas you may have for the coming year as we attempt to follow God's command to be on mission for Him. Remember, we are His hands and feet--lets get moving!

In His Love,  
 Judy
